Yeah
Quite frequently, lately
That's terrible, unforgivable...
On top of that, only my favorites

I wanted

Struggle

They were stolen from inside your house!?
That's not very subtle...
HikaRu
Nothing was damaged?
Not really...
But still...

They could just be buried in here..
That would be impossible!
Vwoosh
Why is it only clean here...?
I told you, they're my favorite.

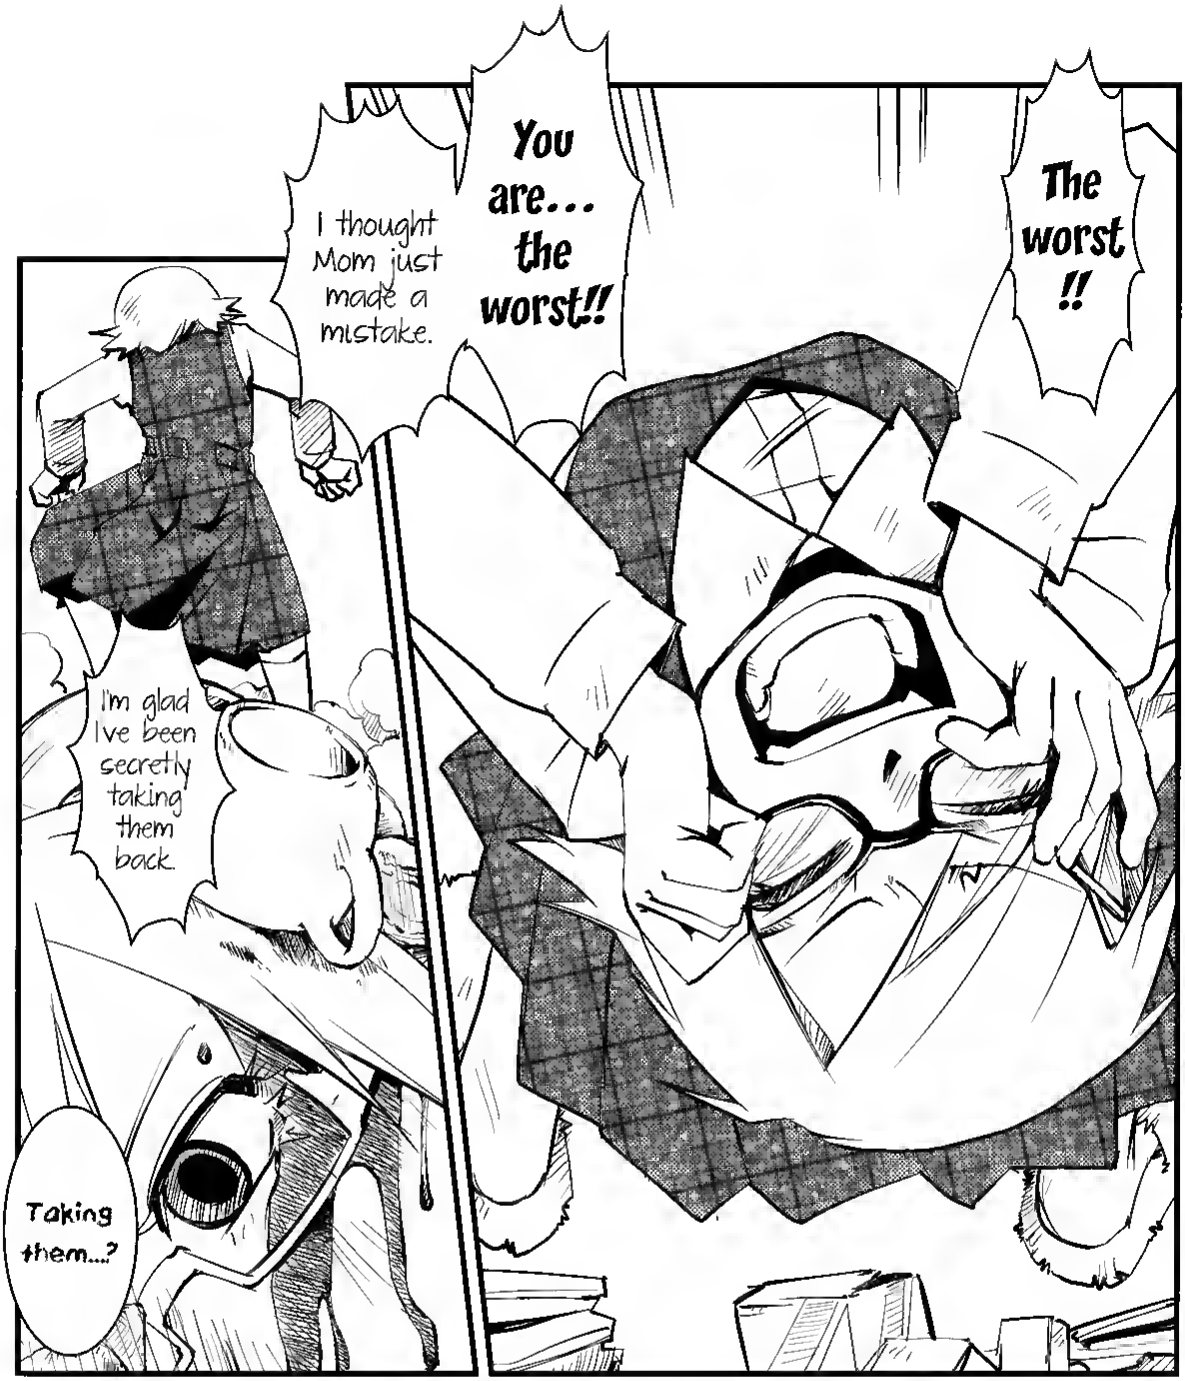
Even with so many
I can easily tell when they go missing.
Since I sometimes run checks while I appreciate them.

Appre-ciate ...?
Welcome, Shinobu-san ♪

Oh, Akane-chan
sorry for intrud-ing
Ah... Shino-bu-san, your hair-style is differ-
Uwa ah!?

Onee-chan's room is cleaner than usual...!!
...Eh, this is!?
This pile goes up to your waist, doesn't it?
...So what are you doing?
A panty appreciation meeting?
Sometimes the panties in here go missing.
These panties...
I'd hate to ask but

Whose are they?
Akane's panties.



I thought Mom just made a mistake.
You are... the worst!!
The worst !!
I'm glad I've been secretly taking them back.
Taking them...?

STAGGER
Taking them... you say...?

My precious collection of Akane's panties
The one stealing them was you!?

Even though I can't stop thinking that I'm strange, I can't help but fall more deeply in love
Slam
...D...Don't look at me with those eyes.
You understand that, don't you Shinobu!?

I know my reasons are strange
...Well yeah...

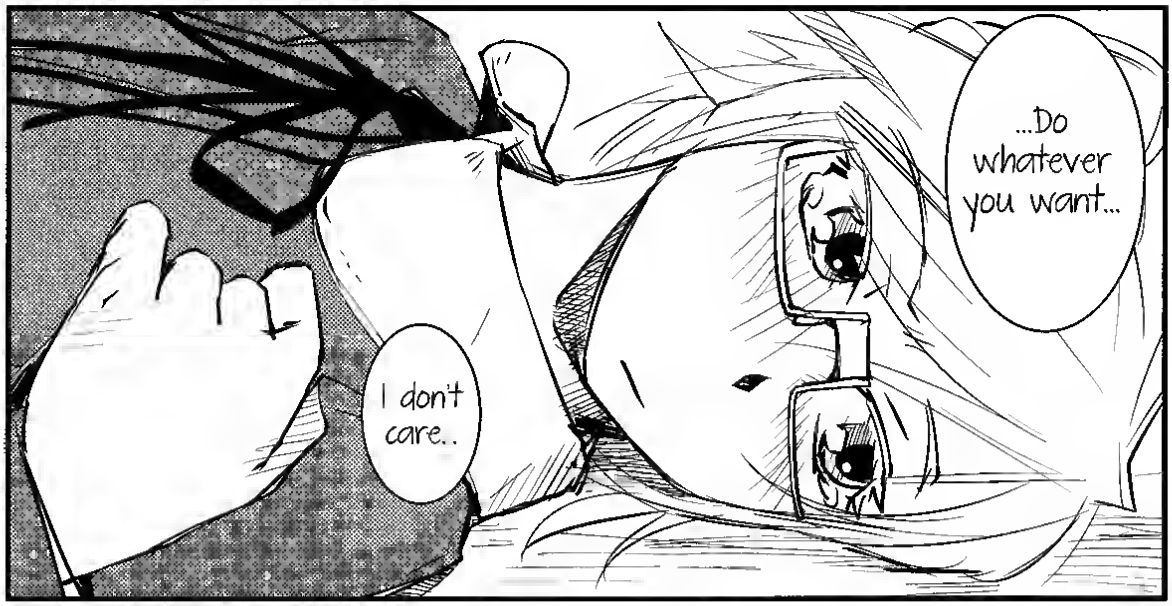
Again
Shinobu, you...

but I can't stop loving you, Hikaru...

thud
What's so great about me?
You sure have strange tastes...
Would you please stop...
saying such things about the person I love?

Even if it's you
I won't let anyone look down on Hikaru...
Right here and now
shall I teach you
just how much I love Hikaru?
Shinobu

I'm
...really gonna do it, y know...?
slide
Hey, Hikaru



...Do whatever you want...
I don't care..

I really want
the person I love to be smiling
It's a real mood killer
If you wear that expression

Thinking back on it, Hikaru made the first move.
...?
Hey, it's forbidden love anyways
why don't you take the plunge and confess?
Don't be stupid!!
If... if I
C...c-c-... c-c-confessed to her
she might reject me and then I couldn't bear to live any-
What I'm saying is

when that time comes
I'll make sure to take care of you.
.....!!
Please give it some thought...

You're going home now, Shinobu-san!?
Oh...
Y-yeah
See ya tomorrow
Dont waste time playing panty thief anymore, Hikaru
Ah... Please wait a moment
Yeah, thanks for having me

THAT THING
That thing made me miss my opportunity earlier.
Here...
Please eat these if you'd like.

Thank you very much.

Ooh~♪ they look delicious.
Did you make them yourself?
Yes! I tried my best with them.

Akane... where's my share?
What are you talking about?

Oh, you're too kind.
I showered you in tea earlier, didn't I?
